Let Us Host Your Next Retreat, Event, Or Summer Camp

Harmony Heart Camp

... is a ministry of World Impact, an interdenominational Christian missions organization ministering God's love in the inner cities of America. By holding your event at Harmony Heart Camp you help provide camping experiences for inner-city children, youth and families, as well as discipleship and job training for urban teens. The camp is available all year round for rental to church groups and other Christian organizations seeking a place of fellowship and retreat. We provide meals and lodging, while each group provides their own program.

Harmony Heart's beautiful setting is undoubtedly what brings back many groups year after year. Our thirty acres of wooded hillside and lawn-covered fields overlooking the waters of Heart Lake are a standing invitation to revel in the beauty of God's natural creation.
